

Trinity Lutheran Church has a 150 year history of valuing Christian education by providing financial support for the difference between actual educational costs and tuition charged. This is done with intent to provide an academic education grounded in Spiritual truths, at an affordable rate.

EARLY CHILDHOOD EDUCATION—Trinity provides parents the option to combine Trinity Lutheran Preschool with the Waconia Christian Child Care Center (WCCCC) to offer structured preschool programming five days a week.

Trinity Lutheran Preschool—Trinity’s Preschool program is built with dedicated, Christian teachers committed to partnering with parents to enable children to develop, learn, and grow in a caring, nurturing, Christian environment. Two preschool options are offered—a three day option (Monday/Wednesday/Friday) for those at least four years old by September 1, 2017 and a two day option (Tuesday/Thursday) for those at least three years old by September 1, 2017. All preschoolers need to be toilet trained. Monday/Wednesday/Friday classes are limited to 20 children per class and the Tuesday/Thursday classes are limited to 18 children per class. There are typically four sessions of each option—two morning classes and two afternoon classes.

Tuesday/Thursday Morning Class 8:30-11 am
Tuesday/Thursday Afternoon Class 12-2:30 pm

Monday/Wednesday/Friday Morning Class 8:30–11 am
Monday/Wednesday/Friday Afternoon Class 12–2:30 pm

Waconia Christian Child Care Center (WCCCC)—Waconia Christian Child Care Center provides a Christian, loving, caring, secure, and educational environment for children ages three (33 months) to five years (not yet in kindergarten). WCCCC can coordinate child care before and after Trinity Lutheran Preschool. Care is available from 6:30 am-6 pm on a full-time, part-time or drop-in care basis. Contact Stephanie Genske for details (stephanie.genske@trinitywaconia.org).

KINDERGARTEN OPTIONS—Trinity recognizes that not all children are ready for a full day kindergarten experience and that some parents prefer a half day program. For this reason, Trinity offers full day and half day kindergarten that provides age appropriate academic standards and essential building blocks for a smooth transition into first grade. Parents have the option to start their child in half day kindergarten and move to full day mid-way through the year. Contact Melissa Corbett (melissa.corbett@trinitywaconia.org) for details.

BEFORE AND AFTER SCHOOL CARE—Kingdom Kids & All Stars Program—Trinity offers before and after school care for children in kindergarten-3rd grade (Kingdom Kids) and 4th-8th grade (All Stars) Quality care is provided Monday-Friday from 6:30-7:50 am and 2:30-6 pm. Please contact Kristi Larsen for details and rates on these programs (kristi.larsen@trinitywaconia.org).

REGISTRATION FEES—Registration Fees are used to cover items such as, but not limited to, classroom materials and field trips. This is paid through SMART Tuition at the time of online SMART sign up.

NEED-BASED FINANCIAL AID—Need-based financial aid is available for families with students in kindergarten-8th grade. Applications are available on Trinity’s website (trinitywaconia.org). Click on the “Links” tab, and the “TADS Application” link. Applications must be completed and fees paid before scholarships are granted. The deadline to apply is April 14, 2017. Awards are made in May.
