

Kidz Corner

Welcome to Kidz Corner! We encourage you to use these resources to involve your children with worship today.

Here are some things that you can do with children of all ages:

Our lesson for today is all about **Mother's Day** and **Hard Work...**

Have your children watch the children's message at this link:

[Children's Message](#)

Listen and sing along to [Every Move I Make](#) and
[GRACE \(La-De-Da\) Ephesians 2:28](#)

Help your child learn our verse for today: **Ephesians 2:28**

*“For it is by grace you have been saved, through faith
—and this is not from yourselves, it is the gift of God—”*

God has given us the gift of eternal life when Jesus died on the cross for our sins. Jesus is the greatest gift anyone could ever receive. How have you shown Him thanks? How do you show thanks to those around you for all the ways they give to you?

Find ways to show people how thankful you are for the work they do for you. It could be parents, relatives, teachers, doctors/nurses, neighbors, post man, etc...

Other ways you can keep your child engaged with today's lesson:

- Mother's Day Coloring pages
- Ephesians 2:8-9 Coloring page
- Wise and Foolish Builder Fun page
- Read through the "Let's Chat" Page and talk about the questions.

God wants us to work hard, but also to be wise about what we are doing. Our effort and focus are important. The story of the Wise and Foolish Builder is a reminder to us that when we make other things more important than God, they will not last. We must remember that everything we do, we should do it as if working for the Lord. This will make a lasting impact in our homes, and for our family.

Today's Prayer Time: : Father- Please help us to work in a way that pleases you, and that points others to you. Help us to be wise and full of grace. Help us to grow in our love for you, so that we will serve others. Thank you for our moms, and for all that they do for us to show us your love. AMEN!

Take some time to sit down with your child(ren) and discuss some questions that relate to today's

-  Take time to talk about how important it is to work hard, and its benefits:
-  What would happen if a farmer didn't plant the seeds in his field?
-  How could you learn to read if a teacher didn't teach you letter sounds?
-  Would you get any better at sports if you didn't practice?
-  Name some ways that you have seen mom or dad working hard for your family?
-  Since today is Mother's Day let spend some time asking mom some fun questions:
-  What did you want to be when you were growing up?
-  What's one of your earliest memories?
-  What's something you always wanted to do but didn't?
