

Kidz Corner

Welcome to Kidz Corner! We encourage you to use these resources to involve your children with worship today.

Here are some things that you can do with children of all ages:

Our lesson for today is all about being **JOYFUL** in everything!

Have your children watch the children's message at this link:

[Children's Message](#)

Listen and sing along to [You Are My All In All](#)

Help your child learn our verse for today and watch this video: [James 1:2](#)

"My brethren, count it all joy when you fall into various trials..."

The phrase God won't give you more than you can handle is not meant that we are to look inward to see what storms we alone are capable of weathering. Rather it points us to Him who will give us the strength to get us through. God wants to supply our every need and He wants us to depend on Him for everything. He will see us through and there will be growth, maturing and joy.

Let's Chat: How hard is it to "count it all joy," when you are struggling? Can joy actually be found in the struggling, or is it found in the aftermath? How can we learn to rely on God more, so that we are able to endure and persevere in our struggles?

Parents share a hard time that you went through. Talk about the struggles during it, the help you got to get through, and the lesson learned, and joy experienced when you got through.

Other ways you can keep your child engaged with today's lesson:

- Color the James 1:2 page
- Complete all of the activity pages

Today's Prayer Time: Father- thank you for always being with me. Thank you that I don't have to EVER go through hard times ALONE. Please help me to stay connected to you and rely on you for my strength to get through the tough times. AMEN!
