

**“Go,” he told him, “Wash in the Pool of Siloam” (which means “sent”). So the man went and washed, and came home seeing. John 9:7**

**Praise and thanksgiving for:**

- The forgiveness of sins through the waters of Baptism for **Isaiah, Calum, and Lindsey LaFleur** on Sunday, May 5<sup>th</sup>.
- The provision of financial resources that God granted through **Legacy of Learning** so that more opportunities for Christ-centered education can be offered to families at Trinity.
- The gifts and talents of our school children that were celebrated at **Fine Arts Night** on April 30<sup>th</sup>. To God be all the glory!
- The 50+ people who worshipped together at our first **Special Connections Ministry service** on April 28<sup>th</sup>! Praise God for the careful and wonderful way He has created each one of us and that we had the opportunity worship in creative, flexible, and adaptive ways so that those with disabilities could shout praises to their Creator who loves them unconditionally!
- Our **school administrator, faculty, and school staff** and their dedication to serving the Lord through their time, talents, and relationships with students and their families. May God continue to encourage, enlighten, and equip them in their calls to serve here at Trinity, and in their homes, the community, and the world.

**God’s provision for:**

- Fulfillment of the **remaining staff positions** needed for Trinity’s middle school in the school year 2024-25.
- Abundant blessings through the capital campaign to replace the boiler at Trinity Lutheran Church and School.
- Those individuals and families who are suffering from mental illness and addiction. May God grant healing and peace to them, as they navigate the difficult journey and battle the enemy in his attempts to confuse and lead astray.
- Wisdom, integrity, and humility for those elected officials at the local, state, and federal levels of our government.

**Trinity’s Mission of the Month:** for April and May is **LINC Twin Cities**. This organization empowers local leaders to start new ministries that restore communities to Christ. Many of these new and existing ministries include cultures from all over the world. We pray for the Lord to bless and work through this mission partner, as they seek to further God’s kingdom and draw people closer to Christ.
